The FACC-SFV was founded in 2001 and is an active member of the United Chamber of Commerce (UCC). The chamber continues to promote and further the interests of the Los Angeles and San Fernando Valley business communities. As part of the ongoing effort to grow the business community, FACC-SFV thrives and ensures maximum return of business owner's investment of time, energy and dollars. We further develop ways and means to advance the interests of businesses. We provide resources in the growth of existing local businesses and industries as well as providing assistance to new business owners and individuals offering services that will benefit and enhance the quality of life in our society. The chamber also supports and encourages local cultural and civic activities for the betterment of the community.
